The Kalamazoo Loose Leaf Binder has no Exposed Metal

THE "KALAMAZOO" Loose Leaf Binder will do everything that any other binder will do and do them better.

It has no complicated mechanism to get out of order and no exposed metal parts to injure the desk.

It lies close to the desk—much closer than any other—and the writing surface is firm and flat.

It will hold any number of sheets from one sheet up to one thousand, and every sheet is as secure as in a bound book.

It is light in weight, strong, durable, easy of operation and capable of unusual expansion.

Send for Booklet "B" describing the Kalamazoo Binder, or a City representative will call.

All names appearing in BOLD TYPE represent the energy and push of the city. It is a pleasure for the publishers to make the public acquainted with them through this medium.

These BOLD TYPE people are those who accomplish wonders in business and make the city what it is.

When you patronize people in BOLD TYPE you patronize firms and men who will patronize you in the same broad manner in which you patronize them.

Plumbing, Steam and Gas Fitting

As good things here in Baths, Closets, Basins, Sinks, etc., as you'll get anywhere else. Some things better for a great deal less money. It isn't what you pay—it's what you get at a price. We could demand more but we won't. We would ask you less but we can't.

All the final touches of typewriter improvement are found at their best in the new Model 5 Royal, including *several features found on no other machine.*

Not the least of the many Royal features are its SIMPLICITY and DURABILITY. We have yet to learn of a Royal that has worn out in reasonable service.

The Royal is the machine of ECONOMY—not in the first cost alone, but also in the money it saves through years of perfect operation and practically *repairless service.* Read the Royal Guarantee: that's the basis upon which we want you to consider the Royal.

Get "The Royal Book"—also Free Demonstration

We want to show Royal features and Royal superiority in your own office—and its unique fitness for any typewriter requirements however exacting.

$95.00 same as for Model 1 with Tabulator. No extras.
